The Conference is a part of the international event **ECOWEEK** that take place between 21 and 27 October 2013 in Cracow. The event is headlined **Design. Innovation. Experiment. Lifestyle. An International Seven-Days Think-Tank.**

ECOWEEK Cracow is one of a series of international workshops and conferences that take place in over a dozen countries in Europe and the Middle East that involves international experts and participants. The series aims to promote ecological solutions in the areas of design, including urban design, architecture, environmental engineering and also urban lifestyle.

The programme of ECOWEEK Cracow 2013 includes: **the opening conference** at Villa Decius on 21 October, **international design workshops** from 21 until 25 October and **a closing conference** at MOC AK on 26 October. The project will culminate in **an exhibition** of architectural and urban concepts, produced by the workshop participants. The opening will take place in the Stone Hall of Krakow Town Hall on 27 October 2013.

Organizer: Miastotwórcze Foundation.

Collaboration: Villa Decius Association, Museum of Contemporary Art in Cracow (MOC AK), International Centre of Education of Cracow University of Technology, Zwierzyniec 7th Cracow District, DębniKI 8th Cracow District.
